Dear John and Lisa:

Thank you for putting on your wonderful gala: the Homecoming Medal Ball. It was such a pleasure to see your attendees dressed so beautifully! All your instructors are "top notch" and your students are terrific dancers for their appropriate dance level.

The food was delicious and I really enjoyed having a glass of wine to "loosen up." I'm looking forward to many more dance lessons so I, too, can become one of your better dancers.

A lot of work goes into putting on such a special event. I commend you and your wonderful staff.

Sincerely,

Eleanor Schultz
